

Request for Accommodation for Religious Observances

IMPORTANT

Illinois law requires the University to reasonably accommodate its students' religious beliefs, observances, and practices in regard to admissions, class attendance, and the scheduling of examinations and work requirements. We recommend that students examine each syllabus at the beginning of the semester for potential conflicts, notify the instructor/professor, and follow their directions as to how to request accommodations. Some faculty may request that students procure an absence letter from the Office of the Dean of Students related to any class sessions missed due to the religious observance. This form allows for requesting such a letter.

In order to best facilitate planning and communication between students and faculty, we request that students make requests for absence letters as early as possible in the semester in which the request applies.
